2. STATUS OF THE ISSUER

The Issuer is an alternative investment fund and as such subject to the AIFM Act. The Manager operates as external AIF manager (*extern AIF-förvaltare*) for the Issuer and the Depositary operates as depositary (*förvaringsinstitut*) for the Issuer. Investments in the fund so created are made through Debentures issued by the Issuer pursuant to these Terms and Conditions.

3. STATUS OF THE DEBENTURES AND UNDERTAKING TO MAKE PAYMENT

- 3.1** Each Debenture is constituted by these Terms and Conditions.
- 3.2** The Debentures constitute direct and unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among them. The payment obligations of the Issuer under the Debentures shall, subject to the provisions of applicable legislation, at all times rank at least equally with all other unsecured and unsubordinated indebtedness and monetary obligations of the Issuer, present and future.
- 3.3** As set out in Clause 15.3 (*Financial Indebtedness*), the Issuer may not issue any other debentures than the Debentures or take any part, directly or indirectly, in any other business than as comprised by these Terms and Conditions.
- 3.4** The Issuer undertakes to repay the Participation Loan Amount, to pay Interest and to otherwise act in accordance and comply with these Terms and Conditions. However, the Issuer's obligation to repay the Participation Loan Amount is dependent on the value of the Portfolio from time to time. A Debentureholder is not guaranteed to receive an amount corresponding to the Issue Price of its Debentures.
- 3.5** By subscribing for Debentures, each initial Debentureholder agrees that the Debentures shall benefit from and be subject to these Terms and Conditions and by acquiring Debentures, each subsequent Debentureholder confirms such agreement.
- 3.6** The Debentures are freely transferable but (i) the Debentureholders may be subject to purchase or transfer restrictions with regard to the Debentures, as applicable, under local laws to which a Debentureholder may be subject and (ii) no transfers of Debentures may be made if, in the Issuer's reasonable opinion (which in such case shall promptly be notified to the relevant Debentureholder), the Issuer or the Parent would be required to, as a result of such transfer: (a) register as an investment company under the Investment Company Act; (b) register as an investment adviser under the Advisers Act; (c) rely on the exemption provided under Section 203(m)-1 of the Advisers Act and become subject to the reporting and record-keeping obligations promulgated thereunder; or (d) register the Debentures under the Securities Act and become subject to the reporting obligations promulgated thereunder. Each Debentureholder must ensure compliance with such restrictions at its own cost and expense. Notwithstanding the above, the Series A2 Debentures may not be listed by the Issuer on any regulated market.
- 3.7** At the request of (i) a Series A1 Debentureholder, Series A1 Debentures (one or more) belonging to the relevant Series A1 Debentureholder shall be converted to Series A2 Debentures, and (ii) a Series A2 Debentureholder, Series A2 Debentures (one or more) belonging to the relevant Series A2 Debentureholder shall be converted to Series A1 Debentures. A request for conversion shall be made in writing to the Issuer and specify the number of Series A1 Debentures or Series A2 Debentures, as the case may be, to be converted. The Issuer shall, as soon as reasonably possible following the request by the relevant Debentureholder, report the conversion to the CSD for registration.

- 3.8 No action is being taken in any jurisdiction that would or is intended to permit a public offering of the Debentures or the possession, circulation or distribution of any document or other material relating to the Issuer or the Debentures in any jurisdiction other than Sweden, where action for that purpose is required. Each Debentureholder must inform itself about, and observe, any applicable restrictions to the transfer of material relating to the Issuer or the Debentures.

4. PARTICIPATION

4.1 Debentureholder Participation – General

- 4.1.1 The participation loans provided by the Debentureholders will be represented by three (3) series of Debentures, each with its specified Initial Capital Amount.
- 4.1.2 The Issuer shall procure that all persons to which Debentures are issued on the First Closing Issue Date or a Subsequent Closing Issue Date, respectively, on or before such date, make corresponding undertakings to subsequently subscribe for new Debentures of the same series at the request of the Issuer, in each case at the relevant Issue Price and *pro rata* in accordance with their initial investment amount and, unless decided otherwise by the Issuer in its sole discretion, at a minimum investment amount of EUR 100,000 per issue. In respect of Subscription Undertakings made by Subsequent Closing Investors, the undertakings shall be adjusted to reflect Debentures issued on or after the First Closing Issue Date but before the relevant Subsequent Closing Issue Date.
- 4.1.3 The Issuer may carry out subsequent issues of Debentures other than on the First Closing Issue Date and any Subsequent Closing Issue Date(s), provided that the subsequent Debentures are issued to existing Debentureholders *pro rata* in accordance with their Subscription Undertakings. If an issue of Debentures pursuant to this Clause 4.1.3 takes place on a Subsequent Closing Issue Date it shall be treated as a separate issue occurring on the same day but immediately after the issue pursuant to Clause 4.2.2.
- 4.1.4 All Debentures will be issued on a fully paid basis and all Debentures will be issued at their Issue Price. The Issuer shall keep the existing Debentureholders fully informed in writing of all relevant details relating to any subsequent issue of Debentures.
- 4.1.5 The Issuer may not carry out any issue of Debentures for which the aggregate Issue Price does not equal at least EUR 100,000.
- 4.1.6 Any excess of the investment amount that may remain after an issue due to that only whole (as opposed to fractional) Debentures may be issued shall be accumulated and repaid by the Issuer to the relevant Debentureholder each year. For the avoidance of doubt, such excess amount shall not constitute part of the Portfolio.
- 4.1.7 Each subsequent Debenture issued in accordance with Clauses 4.1.3 or 4.2.2 shall entitle its respective holder to Interest only from the end of the previous Interest Period (regardless of whether Interest has yet been paid out for such previous Interest Period at such issue date), but shall otherwise have the same rights as the other Debentures.

4.2 Subsequent issue of Debentures to Subsequent Closing Investors

- 4.2.1 The Issuer may on one or several separate Subsequent Closing Issue Date(s) invite Subsequent Closing Investors to subscribe for Debentures.
- 4.2.2 The Issuer may on each Subsequent Closing Issue Date issue Debentures to the Subsequent Closing Investors, provided that:
- (a) each Subsequent Closing Investor has made a Subscription Undertaking as set forth in Clause 4.1.2; and
 - (b) each Debenture is issued on a fully paid basis and at its Capital Amount *plus* an interest element calculated by applying a fixed interest rate of five (5) per cent *per annum* to the Initial Capital Amount for the period between the First Closing Issue Date and the relevant Subsequent Closing Issue Date.
- 4.2.3 If any Management Fee has been paid prior to the relevant Subsequent Closing Issue Date, the amount of the Management Fee for the Interest Period during which such Subsequent Closing Issue Date occurred shall be increased by an amount equal to the amount of total Management Fee that would have been payable if the relevant Subsequent Closing Investors had subscribed for Debentures on the First Closing Issue Date *less* the amount of the previously paid Management Fee.

4.3 Parent Participation

- 4.3.1 The Parent shall make available funds for Co-Investments pursuant to these Terms and Conditions and the PCP IV Terms and Conditions, as applicable. The Parent shall, no later than on the First Closing Issue Date, deliver an undertaking to the Issuer and PCP IV jointly setting out the amount that the Parent commits to contribute. Following the First Closing Issue Date the Parent shall not be entitled to increase its commitment. The aggregate amount of such commitments, together with the commitments from the Participating Parties to provide funds to PCP IV C under the PCP IV C Agreement, shall not be less than EUR 12,000,000, and shall be invested *pro rata* in the Issuer and PCP IV, to their share of the sum of the Debentureholder Commitment and the PCP IV debentureholder commitment.
- 4.3.2 The contributions provided by the Parent shall be made available by the Parent simultaneously as Debentures are issued to the Debentureholders, initially and in accordance with the Subscription Undertakings. The amount of each such contribution by the Parent shall be equal to the Parent Pro Rata Contribution of the aggregate Issue Price paid to the Issuer by the Debentureholders in connection with each issuance of Debentures, initially and in accordance with the Subscription Undertakings.
- 4.3.3 The funds provided by the Parent shall be made available to the Issuer by way of equity, capital contributions or subordinated loans.

4.4 Proventus AB participation and participation by the Participating Parties

- 4.4.1 Proventus AB and the Participating Parties shall make available funds for Co-Investments pursuant to the PCP IV C Agreement. The total amount of funding that Proventus AB and the Participating Parties commit to make available is set out in the

PCP IV C Agreement. The Proventus AB Commitment shall not be less than EUR 30,000,000.

- 4.4.2 The funds provided by Proventus AB and the Participating Parties shall be made available for Co-Investments through PCP IV C, in which such parties shall be shareholders.

4.5 Maximum Participation Amounts

The sum of the Joint Debentureholder Participation shall not at any time exceed EUR 2,000,000,000 and the sum of all Participations, all PCP IV B participations and the PCP IV C participations shall not at any time exceed EUR 2,100,000,000.

5. DEBENTURES IN BOOK-ENTRY FORM

- 5.1 The Debentures shall be denominated in Euro and will be registered for the Debentureholders on their respective Securities Accounts and no physical Debentures will be issued. Accordingly, the Debentures will be registered in accordance with the Financial Instruments Accounts Act and, subject to Clause 5.2, the Issuer shall procure that such registration is made on the relevant issue date. Registration requests relating to the Debentures shall be directed to an Account Operator.
- 5.2 If the date for an issue of Debenture falls in the period between the last day of an Interest Period and the due date for payment of the Participation Loan Amount and Interest (if any) for such Interest Period, the Issuer shall procure that the Debentures issued on such date are registered in accordance with the Financial Instruments Accounts Act (and, consequently, on the relevant Securities Account (as applicable)) as soon as possible following such due date. For the avoidance of doubt, such Debentures shall nonetheless be deemed to have been issued on the date of the issue and not the registration.
- 5.3 The nominal amount for each Debenture from time to time registered with the CSD will be the Initial Capital Amount reduced by the partial repayment made on each Debenture issued under the relevant series pursuant to Clauses 10.1(c), 10.2(b) and 11.1 (*Final Investment Date*).
- 5.4 Those who according to assignment, Security, the provisions of the Swedish Children and Parents Code (*föräldrabalken (1949:381)*), conditions of will or deed of gift or otherwise have acquired a right to receive payments in respect of a Debenture shall register their entitlements to receive payment in accordance with the Financial Instruments Accounts Act.
- 5.5 The Issuer shall be entitled to obtain information from the register kept by the CSD in respect of the Debentures and all PCP IV debentures (*skuldbok*). At the request of a Debentureholder or a PCP IV debentureholder, the Issuer shall request and provide such information to that debentureholder.

6. RIGHT TO ACT ON BEHALF OF A DEBENTUREHOLDER

- 6.1 If any person other than a Debentureholder wishes to exercise any rights under the Terms and Conditions, it must obtain a power of attorney or other proof of authorisation from the Debentureholder or a successive, coherent chain of powers of attorney or proofs of authorisation starting with the Debentureholder and authorising such person.
- 6.2 A Debentureholder may issue one or several powers of attorney to third parties to represent it in relation to some or all of the Debentures held by it. Any such representative may act independently under the Terms and Conditions in relation to the Debentures for which such representative is entitled to represent the Debentureholder and may further delegate its right to represent the Debentureholder by way of a further power of attorney.

7. INVESTMENTS

7.1 Structure

- 7.1.1 The Issuer will make all Investments as Co-Investments and may not make any Investment which is not a Co-Investment. For each Co-Investment, the Manager shall ensure that the Issuer, PCP IV and PCP IV C each make available an amount to be invested *pro rata* based on their share of the Joint Available Participation (from time to time as such shares may vary during the period from the First Closing Issue Date until the last Subsequent Closing Issue Date since additional capital commitments may be accepted for each fund vehicle during such period). Should any investor (other than in respect of the Parent Commitment) fail to make available its applicable amount as requested by the Manager, the Manager shall compensate such shortfall with additional *pro rata* amounts from the investors in the same fund vehicle as the failing investor or if that is not possible, in whole or in part, compensate the shortfall with *pro rata* amounts from the investors in the two other fund vehicles, on terms and in a manner taking into account the interest of all investors.
- 7.1.2 Since each of the Issuer, PCP IV and PCP IV C may independently increase in size during the period from the First Closing Issue Date until the last Subsequent Closing Issue Date (since additional capital commitments may be accepted for each fund vehicle during such period) the *pro rata* quotas between the fund vehicles may vary during such period, and accordingly, as a consequence of the drawdown mechanism pursuant to Clause 7.1.1, each fund vehicles' part of each Co-Investment made under this period may vary consequently. Therefore, on the Business Day falling immediately after the last Subsequent Closing Issue Date, the Issuer will sell to PCP IV and/or PCP IV C (as the case may be) so much of its part of each Co-Investment or purchase from PCP IV and/or PCP IV C (as the case may be) so much of their parts of each Co-Investment as necessary in order for its parts of each Co-Investment to correspond to its *pro rata* share of the Joint Available Participation on the date of the sale.
- 7.1.3 The Manager shall for each sale pursuant to Clause 7.1.2 calculate the “**Transferred Investment Amount**”, which shall be the original amount invested in the relevant

Co-Investment by the selling fund vehicle, multiplied with the quota share of the part of the Co-Investment which is being sold. The purchase price for any such sale shall be the Transferred Investment Amount, less any interest and repayments of principal received in relation to the Transferred Investment Amount by the selling fund vehicle, plus an interest element calculated by applying a fixed interest rate of five (5) per cent *per annum* to the Transferred Investment Amount for the period between the First Closing Issue Date and date of the sale. The Transferred Investment Amount (including repayments of principal received before the date of the sale) shall constitute Principal Proceeds for the selling fund vehicle. The Transferred Investment Amount, reduced by repayments of principal before the date of the sale, shall constitute the original investment amount for the purchasing fund vehicle. An amount equal to the interest received by the selling fund vehicle in relation to the Transferred Investment Amount before the date of the sale shall be deemed to be Ordinary Income for the purchasing fund vehicle. The interest element shall constitute Ordinary Income for the selling fund vehicle and a Permitted Cost for the purchasing fund vehicle.

- 7.1.4 As a general principle, the Manager shall, in a balanced way, procure that the Issuer's interests in each Co-Investment are duly preserved in relation to PCP IV and PCP IV C and the Manager shall ensure that any action taken in relation to a Co-Investment is taken simultaneously on behalf of each of the Issuer, PCP IV or PCP IV C.
- 7.1.5 The Manager shall promptly provide the Joint Investors with adequate disclosure with respect to all conflict of interest situations where the interests of the Issuer may be in conflict with the interests of either of PCP IV and PCP IV C.
- 7.1.6 Each of the Issuer, PCP IV and PCP IV C shall in respect of each Co-Investment have an independent right and shall be free to act independently in relation to its part of the relevant Co-Investment. No documentation evidencing a Co-Investment may include any "majority lenders rules" as between the Issuer, PCP IV and PCP IV C, preventing any of them to act in relation to its part of the relevant Co-Investment without the consent of either of the other two fund vehicles. However, for the avoidance of doubt, the aforementioned shall not prevent the Issuer, PCP IV B and PCP IV C to make Co-Investments in syndications with other lenders, which include "majority lenders rules" in relation to the participating lenders other than the Issuer, PCP IV and PCP IV C.
- 7.1.7 Notwithstanding Clause 7.1.6, decisions on a matter relating to these Terms and Conditions or the PCP IV Terms and Conditions shall always be made by the Joint Debentureholders as set out in Clause 17 (*Decisions by Joint Investors*), and if any such a matter is a Co-Investment Matter, the decision shall be made by the Joint Investors as set out in Clause 17 (*Decisions by Joint Investors*).
- 7.1.8 The Investment made by the Issuer shall in relation to the Co-Investment in all aspects always rank *pari passu* with the parallel investments made by PCP IV and PCP IV C, including with respect to (i) any Security granted to the Issuer, PCP IV and/or PCP IV C and (ii) distribution of assets or funds to the Issuer, PCP IV and/or PCP IV C in relation to any acceleration event.
- 7.1.9 Each of the Issuer, PCP IV and PCP IV C shall be entitled to receive from the amounts payable by the borrower(s) under each Co-Investment a portion based on its part of the relevant Co-Investment, whether the amounts payable be repayment of

principal, accrued interest, break funding compensation, “make-whole payments” or other monies. Any monies received by the Issuer, PCP IV and PCP IV C following the enforcement of any collateral provided to the Issuer, PCP IV and PCP IV C as Security for the obligations of the borrower(s) under the relevant Co-Investment shall be applied in accordance with the principle set out in the first sentence of this Clause 7.1.9.

- 7.1.10 Upon the occurrence of an event of default (howsoever described) under a Co-Investment, giving each of the Issuer, PCP IV and PCP IV C the right to accelerate the loan(s) thereunder, and for as long as such event of default is continuing, each of the Issuer, PCP IV and PCP IV C shall have an independent right to at any time request that repayment of the principal amount owing to it in respect of its part of the relevant Co-Investment is accelerated, in each case as decided by the Manager, pursuant to Clause 7.1.4.
- 7.1.11 To the extent permitted under their respective terms and conditions and the PCP IV C Agreement, as applicable, each of the Issuer, PCP IV and PCP IV C may provide Security over its part of a Co-Investment. However, the provisions in this Clause 7.1.11 shall not limit the right of any third party having Security over a part of a Co-Investment to exercise its rights under such Security. For the avoidance of doubt, each of the Issuer, PCP IV and PCP IV C can, and may, only provide Security over its own part of a Co-Investment and, thus, cannot, and may not, provide Security over any part of a Co-Investment owned by either of the two other fund vehicles.
- 7.1.12 Costs related to Co-Investments shall be shared *pro rata* to the Issuer’s, PCP IV’s and PCP IV C’s respective part of the Co-Investment.
- 7.1.13 The principles set out in this Clause 7.1 have been reflected in a co-investment agreement entered into among the Issuer, PCP IV, PCP IV C and the Manager. Such co-investment agreement may not be amended or terminated without the consent of the Joint Investors.
- 7.1.14 As a consequence of the investment structure set out in this Clause 7.1, the PCP IV debentureholders have pursuant to these Terms and Conditions certain information rights and voting rights in relation to the Issuer. The Debentureholders will pursuant to the PCP IV Term and Conditions have the equivalent rights in relation to PCP IV. In addition, Proventus AB (in its capacity as an investor in PCP IV C) has pursuant to these Terms and Conditions and the PCP IV Terms and Conditions voting rights on Co-Investment Matters as set out in Clause 17 (*Decisions by Joint Investors*), and no Co-Investment Matters may be decided pursuant to the PCP IV C Agreement, except as set out in these Terms and Conditions.
- 7.1.15 If any Security over PCP IV’s part of a Co-Investment provided by PCP IV is enforced, (i) Clauses 7.1.4, 7.1.7 and 7.1.12 shall no longer apply for the relevant Co-Investment and (ii) the PCP IV participation shall when calculating the Joint Debentureholder Participation for purposes of determining the relative voting rights on matters relating to these Terms and Conditions be reduced with an amount equal to the amount originally invested by PCP IV in the part of the Co-Investment over which the Security has been enforced *minus* any repayments of principal received by PCP IV thereunder prior to the enforcement.
- 7.1.16 If PCP IV is declared bankrupt, (i) Clauses 7.1.4, 7.1.7, 7.1.12 and 17.1 shall cease to apply in so far as they relate to PCP IV or its debentureholders and (ii) all

information rights and voting rights that PCP IV or its debentureholders have under these Terms and Conditions shall cease to apply.

7.2 Purpose

7.2.1 The Issuer shall utilise the Total Participation to make Investments, which originate from companies and financial institutions incorporated in Approved Jurisdictions.

7.2.2 The Issuer may make Investments by way of purchasing assets to be utilised for financial leasing, provided, however, that the aggregate amount of each such Investment and previously made financial leasing Investments may not exceed 25 per cent of the Total Initial Commitment at the date of the relevant Investment.

7.2.3 Notwithstanding Clause 7.2.1, the Issuer may, at its discretion, make Investments in other countries, provided that the aggregate amount of all Investments made in other countries does not exceed ten (10) per cent of the Total Initial Commitment. The Issuer shall ensure that Investments for a value of at least equal to 90 per cent of the total value of the Investments from time to time are denominated in Euro or in currencies that can be hedged against Euro.

7.2.4 The Issuer shall enter into hedging arrangements for the purpose of:

- (a) currency protection of Euro against the currency in which the Investment is denominated so that at least 90 per cent of the total value of the Investments from time to time is denominated in Euro or hedged against Euro, and
- (b) if deemed appropriate by the Issuer and to the extent relating to an Investment, interest rate protection.

7.2.5 Any unutilised part of the Total Participation shall be invested in Euro denominated corporate investment grade bonds with a maximum of two (2) years remaining to maturity or be placed on short term bank deposits.

7.2.6 The restrictions in this Clause 7.2 may be varied with the consent of the Joint Investors.

7.3 Objective

7.3.1 The principal objective of the Issuer is to achieve a net annual return on the Total Participation amounting to eight (8) per cent, such net return to be distributed in accordance with these Terms and Conditions. This shall not constitute any legal commitment by the Issuer to achieve such principal objective and the Issuer does not make any representation or warranty whatsoever about whether the Issuer will achieve such principal objective.

7.3.2 The Issuer shall ensure that all Investments are made in accordance with the Ethical Policy.

7.3.3 The Issuer shall not apply or make available, directly or indirectly, any investments or monies to any person, entity or government subject to any sanctions administered by the United Nations or the European Union or equivalent sanctions in any laws applicable to the Issuer.

7.4 Investment Restrictions

- 7.4.1 The Issuer may, subject to Clause 7.2 (*Purpose*), in its discretion make any initial single Investment (or series of related Investments) up to a total amount invested equal to seven point five (7.5) per cent of the Total Initial Commitment. Notwithstanding the foregoing, the Issuer may subsequently increase the size of any single Investment to a maximum of ten (10) per cent of the Total Initial Commitments. Any single Investment (or series of related Investments) exceeding such amounts shall be subject to the prior approval by the Joint Investors.
- 7.4.2 Investments made in a single business sector shall not exceed a total of 25 per cent of the Total Initial Commitment at the date of the relevant Investment unless previously approved by the Joint Investors.
- 7.4.3 No new Investments shall be made after the Final Investment Date, without the prior approval of the Joint Investors. However, the Issuer may (i) retain an unutilised amount or (ii) utilise any outstanding amounts under the Subscription Undertakings, in an aggregate of up to ten (10) per cent of the Total Initial Commitment for additional investments in existing Investments and/or for payment of costs related to the Portfolio after the Final Investment Date, provided that any such additional investment may not exceed 20 per cent of the original Investment without the prior approval of the Joint Investors.
- 7.4.4 The Issuer shall neither invest in nor acquire Investments from any other fund or similar entity to which Proventus AB, the Parent, the Manager or an Affiliate, directly or indirectly, acts as advisor or manager, nor make any Investment in or acquire Investments where the Parent or an Affiliate (directly or indirectly) holds an ownership interest (unless insignificant), in each case unless made in the manner set out in Clause 7.5 (*Indirect Investments*) or approved by the Joint Investors.
- 7.4.5 No Investment shall be made in any fund or similar entity that charges a management fee, carried interest or similar.

7.5 Indirect Investments

- 7.5.1 The Issuer may, for regulatory and/or tax purposes and provided that it is in the best interest of the Debentureholders, make Investments by way of providing funding, through limited recourse loans, sub-participations, total return swaps or otherwise, to (i) an Affiliate or (ii) an independent credit institution, in each case owning the relevant asset, provided, however, that the aggregate amount of each such Investment and previously made indirect Investments under this Clause 7.5 may not exceed 25 per cent of the Total Initial Commitment at the date of the relevant Investment without the consent of the Joint Investors.
- 7.5.2 Investments made through a credit institution that is also an Affiliate may, if necessary to comply with capital adequacy rules, be made by providing tier 1 or tier 2 capital (both as defined in the relevant Basel Accord) to such credit institution or by investing in equity in such credit institution, in each case as may be necessary to make indirect Investments possible.
- 7.5.3 Indirect Investments made through an Affiliate shall not generate any gains for such Affiliate that does not constitute Ordinary Income.

7.6 Derived Assets

The Issuer may as a consequence of them making or holding an Investment, or in connection with a restructuring or composition in relation to an Investment in which the Issuer participates, obtain Derived Assets. Such Derived Assets may be held by the Issuer as a part of the Portfolio and sold or otherwise disposed of when the Issuer deems fit. All cash amounts payable to the Issuer as a result of (i) holding a Derived Asset or (ii) a sale or other disposal of a Derived Asset shall constitute Ordinary Income.

8. INTEREST, CARRIED INTEREST AND CARRY-BACK

8.1 Calculations

8.1.1 At the end of each Interest Period, the Issuer shall for each Participation calculate the Period Net Ordinary Income for such Interest Period in the manner as follows: the Ordinary Income for an Interest Period shall be divided *pro rata* between the Participations. The respective portion of Ordinary Income so allocated shall be reduced by the applicable Management Fee and the Direct Management Costs attributable to the Participation (if any), and the respective net amount shall constitute the “**Period Net Ordinary Income**” for the relevant Participation.

8.1.2 At the end of each Interest Period, the Issuer shall for the Debentureholder Participation calculate the Period Hurdle Amount, the Accumulated Hurdle Amount and the Accumulated Net Ordinary Income in the manner set forth below:

- (a) An amount of interest on the Debentureholder Participation during the relevant Interest Period shall be calculated by applying (i) the Fixed Hurdle Rate and (ii) the Floating Hurdle Rate. Such interest shall be calculated for the relevant Interest Period on the average Debentureholder Participation during such Interest Period. When making such calculation, interest shall be calculated on the actual number of days elapsed on a 360 day/year basis. The higher of the amounts so calculated shall constitute the “**Period Hurdle Amount**”.
- (b) The sum of all Period Hurdle Amounts calculated for previous Interest Periods and the Period Hurdle Amount for the relevant Interest Period *plus* an amount equal to (i) the difference between any Principal Proceeds received (for the purpose of this Clause 8.1.2(b), including any Principal Proceeds which are retained for reinvestment pursuant to Clause 10.1(b)) during each relevant Interest Period and the original amount invested in the relevant Investment or (ii) if an Investment has been written off and has not been subsequently recovered, the amount which has been written off, shall constitute the “**Accumulated Hurdle Amount**”.
- (c) The sum of all Previous Interest and Previous Carried Interest and the Period Net Ordinary Income for the relevant Interest Period shall constitute the “**Accumulated Net Ordinary Income**”.

8.1.3 At the end of each Interest Period, the Issuer shall for the Debentureholder Participation calculate the Interest, Carried Interest and Carry-Back for such Interest Period, in the manner set forth below:

- (a) The Accumulated Hurdle Amount *plus* 80 per cent of the part (if any) of the Accumulated Net Ordinary Income that *exceeds* the Accumulated Hurdle Amount, *less* the Previous Interest shall constitute “**Interest**” on the Debentureholder Participation for the relevant Interest Period.
- (b) The Interest on the Debentureholder Participation for the relevant Interest Period shall be paid out of the Period Net Ordinary Income, provided, however, that:
 - (i) if the Interest is *less* than the Period Net Ordinary Income, the remaining Period Net Ordinary Income shall constitute “**Carried Interest**” on such Debentureholder Participation for the relevant Interest Period; and
 - (ii) if the Interest *exceeds* the Period Net Ordinary Income, the Parent shall repay so much of any Carried Interest as may be necessary to compensate such shortfall as “**Carry-Back**” on such Debentureholder Participation for the relevant Interest Period.

8.1.4 The Period Net Ordinary Income calculated for the Parent Participation for each Interest Period shall constitute “**Interest**” on the Parent Participation for such Interest Period.

8.2 Interest

8.2.1 Each Debentureholder is entitled to its share of the Interest on the relevant Participation for each Interest Period. The amount of interest to be paid on each Debenture shall be calculated as the Interest on the relevant Participation *divided by* the number of Debentures issued under such series, rounded off to the nearest whole amount of Euro. The Parent is entitled to Interest on the Parent Participation for each Interest Period.

8.2.2 All calculations of Interest shall be made without taking into account any tax payable by the Issuer (other than if a Permitted Cost).

8.2.3 Interest to Debentureholders is payable ten (10) Business Days after the last day of each Interest Period (being 31 December, 31 March, 30 June and 30 September for each year, following the initial Interest Period set out in Clause 9.1) and shall accrue and be paid from and including the First Closing Issue Date up to the Final Repayment Date. Interest on the Parent Participation shall be for the account of the Parent and shall after the last day of the relevant Interest Period not form part of the Portfolio.

8.3 Carried Interest

Carried Interest shall be for the account of the Parent and shall not form part of the Portfolio. The Carried Interest shall be distributed to the Parent as agreed between the Parent and the Issuer.

8.4 Carry-Back

The Carry-Back received by the Issuer shall be treated as Interest on the relevant Debentureholder Participation and shall be payable to the Debentureholders as set forth in Clause 8.2 (*Interest*). The obligation of the Parent to pay Carry-Back pursuant to Clause 8.1.3(b)(ii) shall be partially guaranteed by Proventus AB pursuant to Clause 15.12 (*Proventus AB Guarantee*).

9. INTEREST PERIODS

- 9.1 The first Interest Period shall run from the First Closing Issue Date until 31 December 2018. Thereafter, each Interest Period shall be three (3) months.
- 9.2 The first Interest Period shall start on the First Closing Issue Date and each subsequent Interest Period shall start on the last day of the preceding Interest Period. The last Interest Period shall end on the Final Repayment Date.
- 9.3 Notwithstanding the foregoing, the initial Interest Period for any subsequent Debentures shall run from the last day of the previous Interest Period for which Interest has been paid in respect of the original Debentures to the last day of the subsequent Interest Period for the original Debentures.
- 9.4 If an Interest Period would otherwise end on a day that is not a Business Day, that Interest Period will instead end on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not).

10. PRINCIPAL PROCEEDS

- 10.1 Any Principal Proceeds received by the Issuer before the occurrence of the Final Investment Date shall be applied:
- (a) *first* (if applicable):
- (i) first towards repayment of such part of any Financial Indebtedness incurred by the Issuer which (i) falls due in connection with the receipt of the Principal Proceeds, (ii) has fallen due prior thereto but remains unpaid or (iii) is otherwise to be repaid in connection with the receipt; and
 - (ii) thereafter as Ordinary Income, up to an amount equal to the Outstanding Financing Deficit;
- (b) *second* (in each case as decided by the Manager, provided that the Principal Proceeds are applied in the same manner as equivalent principal proceeds received by PCP IV and PCP IV C), if the relevant Principal Proceeds relate to an Investment made:
- (i) *less* than 18 months before receipt of such Principal Proceeds, be retained by the Issuer and be applied towards reinvestment; or

- (ii) *more* than 18 months before receipt of such Principal Proceeds, be retained by the Issuer and be applied towards reinvestment in the same group of companies or financial institution, to be made before the second Interest payment date (as set out in Clause 8.2.3) following the receipt of such Principal Proceeds,

up to an amount which together with any repayment pursuant to paragraph (a) is equivalent to the purchase price or original investment amount, as the case may be, (determined in accordance with GAAP) for the Investment or equivalent part thereof (as applicable);

- (c) *third* (if applicable and provided that the repayment date and amount have been specified by the Issuer in a notice delivered in accordance with Clause 14.1(e)), be applied towards repayment, *pro rata* of the Participations up to an amount which together with any repayment pursuant to paragraph (a), any amount retained pursuant to paragraph (b) is equivalent to the purchase price or original investment amount, as the case may be, (determined in accordance with GAAP) for the Investment or equivalent part thereof (as applicable); and
- (d) *fourth* (if applicable), be applied as Ordinary Income.

10.2 Any Principal Proceeds received by the Issuer on or after the occurrence of the Final Investment Date shall be applied:

- (a) *first* (if applicable):
 - (i) first towards repayment of such part of any Financial Indebtedness incurred by the Issuer which (i) falls due in connection with the receipt of the Principal Proceeds, (ii) has fallen due prior thereto but remains unpaid or (iii) is otherwise to be repaid in connection with the receipt; and
 - (ii) thereafter as Ordinary Income, up to an amount equal to the Outstanding Financing Deficit;
- (b) *second*, provided that the repayment date and amount have been specified by the Issuer in a notice delivered in accordance with Clause 14.1(e), towards repayment, *pro rata* of the Participations up to an amount which together with any repayment pursuant to paragraph (a), is equivalent to the purchase price or original investment amount, as the case may be, (determined in accordance with GAAP) for the Investment or equivalent part thereof (as applicable); and
- (c) *third* (if applicable), as Ordinary Income.

10.3 Any amount retained by the Issuer for reinvestment in accordance with Clause 10.1 shall not be deemed to form part of Principal Proceeds and shall after the Final Investment Date be deemed an unutilised part of the Total Participation for the purposes of Clause 11.1 (*Final Investment Date*).

11. REPAYMENT OF THE PARTICIPATIONS

11.1 Final Investment Date

If the unutilised part of the Total Participation (including any amount retained for reinvestment in accordance with Clause 10.1) on the Final Investment Date exceeds ten (10) per cent of the Total Participation, such excess amount shall be used to repay *pro rata* the Participations unless the Joint Investors and the Parent agree otherwise. Such repayment to take place no later than 20 Business Days after the last day of the Interest Period in which the Final Investment Date falls (the repayment day to be notified in the report delivered pursuant to Clause 14.1(c)).

11.2 Final Repayment Date

11.2.1 The Issuer shall, during the six (6) months preceding the Final Repayment Date, dispose of all Investments in the Portfolio in a commercially sound manner, settle all its external debts and liabilities and place the remaining funds received on short term bank deposits. For the avoidance of doubt, Clause 10.2 applies also to such remaining funds.

11.2.2 Any assets in the Portfolio which are not possible to dispose of in a commercially sound manner, and therefore remain on the Final Repayment Date, shall be distributed in kind in accordance with Clause 10.2 applied *mutatis mutandis*. If so requested by a Debentureholder, the Manager will either (i) offer customary management services in relation to assets which are distributed in kind to such Debentureholder in accordance herewith, such services to be provided on terms and conditions which at all times shall be in accordance with the applicable market practice or (ii) use its best efforts to provide an arrangement whereby remaining assets may continue to be owned by the Issuer, on commercial terms based on these Terms and Conditions. However, in relation to (ii) in this Clause 11.2.2, the applicable Management Fee shall be reduced by 50 per cent.

11.2.3 Following distribution (if any) in accordance with Clause 10.1(c), 10.2(b), 11.1 (*Final Investment Date*) and 11.2.2 (as applicable), the Debentures shall be deemed repaid in full and the Issuer shall have no further obligations to the Debentureholders with respect to these Terms and Conditions other than if specifically set out in these Terms and Conditions.

11.3 Changes to legislation

If it becomes unlawful, or such unlawfulness is imminent, for the Issuer to perform its obligations under these Terms and Conditions or should any substantial decrease in revenue occur, or be imminent, for the Issuer, or substantial additional or increased cost be incurred or suffered by, or be imminent for, the Issuer, as a result of (i) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation or (ii) compliance with any law or regulation made after the date of these Terms and Conditions, the Manager may, on behalf of the Issuer, declare the Debentures prematurely due and payable on a date determined by the Issuer, by giving the Debentureholders at least six (6) months' notice. During such period, the Portfolio shall be unwound in accordance with Clause 11.2 (*Final Repayment Date*) applied *mutatis mutandis*, unless the Joint Investors and the Manager agree otherwise. If such event relates solely to the existence or structuring of PCP IV C, or its position as a parallel investment vehicle to the Issuer and PCP IV

then the Issuer, Proventus AB and the Participating Parties shall, before the Debentures are declared prematurely due and payable, in good faith try to find another suitable structure for Proventus AB's and the Participating Parties' participation in the Co-Investments.

12. PAYMENTS

12.1 Payments to the Debentureholders

- 12.1.1 Payment of the Participation Loan Amount and Interest shall be made to such persons who are registered as Debentureholders five (5) Business Days prior to the relevant due date (the "**Record Date**") or to such other person who is registered with the CSD on such date as being entitled to receive the relevant payment or repayment.
- 12.1.2 If a Debentureholder has registered, through an Account Operator, that principal and interest shall be deposited in a certain bank account, such deposits will be effected by the CSD on the relevant payment date. In other cases, payments will be transferred by the CSD to the Debentureholder at the address registered with the CSD on the Record Date. However, Interest only accrues up to and including the relevant payment date. Should the CSD, due to a delay on behalf of the Issuer or some other obstacle, not be able to effect payments as aforesaid, the Issuer shall procure that such amounts are paid to the persons who are registered as Debentureholders on the relevant Record Date as soon as possible after such obstacle has been removed.
- 12.1.3 If payment is effectuated in accordance with this Clause 12, the Issuer and the CSD shall be deemed to have fulfilled their obligation to pay, irrespective if such payment was made to a person not entitled to receive such amount.
- 12.1.4 If, due to any obstacle for the CSD, the Issuer cannot make a payment or repayment, such payment or repayment may be postponed until the obstacle has been removed.
- 12.1.5 Any Interest shall be paid to the Debentureholders as interest on the Debentures. For the avoidance of doubt, any such amount shall not be affected by any difference between any Principal Proceeds finally received (for the purpose of this Clause 12.1.5, including any Principal Proceeds which are retained for reinvestment pursuant to Clause 10.1(b)) and the original amount invested in the relevant Investment or any amounts written off and not subsequently recovered in respect of the relevant Investment.
- 12.1.6 Any repayment of the Debentureholder Participation shall be a repayment of the Participation Loan Amount. For the avoidance of doubt, such amount may be decreased by any difference between any Principal Proceeds finally received (for the purpose of this Clause 12.1.6, including any Principal Proceeds which are retained for reinvestment pursuant to Clause 10.1(b)) and the original amount invested in the relevant Investment or any amounts written off and not subsequently recovered in respect of the relevant Investment.
- 12.1.7 If both the Participation Loan Amount and Interest are due for payment and if the available funds are insufficient to discharge all the amounts due and payable, the

available funds shall first be applied towards payment of Interest and secondly towards repayment of the Participation Loan Amount.

- 12.1.8 Notwithstanding anything to the contrary in these Terms and Conditions, neither the Issuer nor the CSD will be under any obligation to make a payment to a Debentureholder unless the Debentureholder has provided to the Issuer or the Manager all information, policies and procedures from time to time reasonably requested with reasonable notice by the Issuer for it and the Manager to comply with applicable anti-money laundering, anti-corruption, sanctions and tax matters reporting laws.

12.2 Payments to the Parent

- 12.2.1 The Issuer may decide the form for payments to the Parent (whether relating to payments of Interest, Carried Interest or Management Fees, the repayment of the Parent Participation, or otherwise).
- 12.2.2 The Issuer may, at its discretion, retain any amounts payable to the Parent. Such amounts shall be kept separated from, and not form part of, the Portfolio. Any amount so retained shall nonetheless be deemed repaid or otherwise distributed to the Parent for the purpose of these Terms and Conditions.
- 12.2.3 The Management Fee shall fall due in arrears on the last day of each Interest Period and on the Final Repayment Date.

12.3 Receipt in kind

Except as set forth in Clause 11.2.2, all payments made to the Debentureholders and the Parent under these Terms and Conditions shall be made in cash. Therefore, although Derived Assets received by the Issuer shall form part of the Portfolio, any Ordinary Income or Principal Proceeds received otherwise than in cash that is immediately available for distribution shall not, for the purpose of this Clause 12, be considered to have been received by the Issuer until (i) such income or proceeds have been converted to cash in a commercially reasonable manner or (ii) such assets have been deemed not possible to dispose in accordance with Clause 11.2.2.

12.4 No tax gross-up

- 12.4.1 The Issuer is not liable to gross up any payments under these Terms and Conditions by virtue of any withholding tax, public levy or the similar.
- 12.4.2 At the request of a Debentureholder, the Issuer shall, in consultation with such Debentureholder, take reasonable steps to mitigate any circumstances which arise and which would result in any withholding tax, public levy or the similar becoming payable by such Debentureholder or reducing any payment made by the Issuer to such Debentureholder.

13. MANAGEMENT OF THE PORTFOLIO

- 13.1 The Manager shall manage the Portfolio on behalf of the Issuer and shall make Investment and divestment decisions in accordance with these Terms and Conditions

on behalf of the Issuer. The Board of Directors shall supervise the Manager's management of the Portfolio.

- 13.2** The Key Executives shall be responsible for the management of the Portfolio. In case any Key Executive for any reason terminates his employment with the Manager, his employment is being terminated by the Manager or, for a period of six (6) consecutive or non-consecutive months over any twelve (12) month period, does not, or will not be able to, devote time to the Issuer and the Portfolio as set out in Clause 13.3 or 13.4, as applicable, the Manager shall use its best efforts to replace him with a substitute executive as soon as possible and preferably before his employment has ended. Any substitute executive must have sufficient skill and experience and be approved by the Joint Investors pursuant to Clause 17.5(h) (for the avoidance of doubt, when calculating the relative voting rights for such matter, what is stated in Clause 17.7(c) shall be taken into account). However, no decisions about new Investments shall be taken until a replacement of the relevant Key Executive has been approved by the Joint Debentureholders. If no substitute executive has been appointed within six (6) months (or such longer period that has been approved by the Joint Debentureholders) from the earlier date when (i) the relevant Key Executive's employment ends, and (ii) a default in respect of Clause 13.3 has occurred and is continuing, the Final Investment Date shall be deemed to have occurred.
- 13.3** Until at least 85 per cent of the Total Initial Commitment has been invested (or been committed to be invested), the Manager shall procure that each of the Key Executives devotes substantially all of his business time and efforts (presupposing full-time employment) to the Issuer and the Portfolio so as to allow the Manager to fulfil its obligations hereunder. Notwithstanding the foregoing, the Key Executives shall be entitled to spend time on (i) management of Proventus Capital Partners II AB (publ), Proventus Capital Partners III AB (publ), Proventus Capital Partners Alpha AB (publ), PCP IV and PCP IV C and other present engagements (or similar engagements which may replace such present engagements from time to time), (ii) marketing and establishment of a new investment programme (provided that no funds are paid or investments are made in such programme) and (iii) investments and investment programmes which are permitted under these Terms and Conditions, provided, in each case, that the Portfolio always receives from the Key Executives the attention necessary for a professional management.
- 13.4** After 85 per cent of the Total Initial Commitment has been invested (or been committed to be invested), the Manager shall procure that each of the Key Executives devotes so much time to the Issuer and the Portfolio as is reasonably required to allow the Manager to fulfil its obligations hereunder.
- 13.5** At the date of these Terms and Conditions, the Manager is wholly owned by a management team working actively in the Manager, consisting of, amongst others, the Key Executives. Should the management team working actively in the Manager from time to time cease to hold (directly or indirectly) at least 75 per cent of all votes and outstanding shares of the Manager, or should the Key Executives cease to hold (directly or indirectly) at least 33 per cent of all votes and outstanding shares of the Manager, no decisions about new Investments shall be taken for as long as this is continuing, and should this continue for a period of six (6) months (or such longer period that has been approved by the Joint Debentureholders), the Final Investment Date shall be deemed to have occurred. The Manager shall procure that the aforementioned management team, between themselves, agree not to transfer or

issue shares in the Manager to persons other than members of such management team, without the prior approval of the Joint Investors pursuant to Clause 17.5. The Issuer and the Manager, individually, shall notify the Joint Investors of any matter that occurs which is of relevance to the Joint Investors in relation to this Clause 13.5, including, but not limited to, changes of ownership in the Manager, issuances of shares in the Manager and changes to the aforementioned management team.

- 13.6** The Board of Directors shall consist of up to five (5) members, appointed by the Parent. At least half of the board members shall be persons independent from the Manager and Proventus AB and at least one of those independent board members shall have such competence within the field of auditing and/or accounting as is required pursuant to Chapter 8, Section 49a paragraph 2 of the Companies Act. The Board of Directors shall at all times consist of the same persons which constitute the board of directors of PCP IV.

14. INFORMATION UNDERTAKINGS

14.1 The Issuer shall provide to each Joint Debentureholder:

- (a) no later than three (3) months after the end of each financial year, its annual audited financial statements, information on the Management Fees paid and accruals/distributions of Carried Interest for the preceding calendar year, and for the period starting from the First Closing Issue Date and ending on the last preceding calendar quarter, as well as the amount available for Investments at the last preceding calendar quarter;
- (b) no later than two (2) months after the end of each calendar quarter, its unaudited financial statements and a narrative description of material developments of the Portfolio, including payments and distributions made to the Parent, information on the Management Fees paid and accruals/distributions of Carried Interest for the preceding calendar quarter, and for the period starting from the First Closing Issue Date and ending on the last day of the relevant calendar quarter, as well as the amount available for Investments at the last day of the relevant calendar quarter, provided further that the financial statements delivered after the end of the second calendar quarter in each year shall also include a review by the auditors;

- (d) within five (5) Business Days after the end of each calendar quarter, a preliminary report on the Portfolio Value as of the last Business Day of such calendar quarter;
- (e) with notice of any payment to be made by the Issuer to it under these Terms and Conditions, five (5) Business Days before such payment is due;

- (f) within ten business days of the quarter's end the Issuer shall proactively provide each Joint Debentureholder such information as is necessary or desirable for the relevant Joint Debentureholder to comply with its applicable regulatory framework (provided that such information has been requested by the Joint Debentureholder and can be provided by the Issuer, using reasonable efforts, and that the relevant Joint Debentureholder will on demand reimburse the Issuer for any costs incurred to comply with such request);
- (g) no later than 20 Business Days after the end of each financial year, such other information as is necessary for the preparation of tax returns by the Debentureholders or as may be desirable by the Debentureholders to procure tax benefits in any jurisdiction (provided that such information has been requested by the Debentureholders and can be provided by the Issuer, using reasonable efforts, and that the relevant Debentureholders will on demand reimburse the Issuer for any costs incurred to comply with such request),

in each case (i) excluding any information which may be considered as insider information pursuant to the Market Abuse Penalties Act (*lag (2016:1307) om straff för marknadsmissbruk på värdepappersmarknaden*), and (ii) in accordance with GAAP, unless the Debentureholders at the request of the Issuer have agreed to substitute GAAP with other principles.

14.2 The Issuer shall, promptly upon becoming aware of the same, notify the Joint Debentureholders (with reasonable detail) of:

- (a) any dispute relating to a claim against the Manager, the Issuer or PCP IV C exceeding EUR 100,000;
- (b) the commencement of any formal investigation by any regulatory or administrative body with authority over the Manager or the Issuer which involves an allegation of material violation of law directly relating to the affairs of the Manager or the Issuer (as applicable), and, when resolved, the outcome of the investigation, unless the Manager or the Issuer would be restricted by such regulatory or administrative body to disclose such information or otherwise pursuant to applicable law or such information may be considered as insider information pursuant to the Market Abuse Penalties Act;
- (c) subject to Clause 17.5(a), any amendment to its Articles of Association;
- (d) any termination of the auditor of the Issuer; and
- (e) any breach of any other obligation or undertaking by the Issuer or PCP IV C, which is not immaterial.

14.3 The Issuer is obliged to immediately notify the Joint Debentureholders (with full particulars) if any circumstance specified in Clause 16 (*Acceleration of the participation loan*) occurs and shall provide each Joint Debentureholder with such further information as it may reasonably request following receipt of such notice.

14.4 The Issuer shall convene an annual information meeting for the Joint Debentureholders to be held within 40 Business Days after the delivery of the annual

audited financial statements in accordance with Clause 14.1(a). The purpose of the information meeting is to present the activities of the Issuer during the previous year.

- 14.5** The Issuer shall upon request by a Joint Debentureholder, to the extent permitted under confidentiality obligations following from applicable law or contract, provide to the requesting Joint Debentureholder the contact details, which the Issuer has on record and to the best of its knowledge are up-to-date, of all persons to which Debentures have been issued, and their relevant investment directors, portfolio managers or similar.
- 14.6** Notwithstanding Clause 14.1, the Issuer may from time to time provide additional information to Joint Debentureholders that have made confidentiality undertakings to the Issuer. If the Issuer decides to offer the Joint Debentureholders any additional information, all Joint Debentureholders shall be treated equally and entitled to receive the same information, provided they enter into confidentiality undertakings, as requested by the Issuer.

15. GENERAL UNDERTAKINGS

15.1 Distributions

- 15.1.1 The Issuer shall not (i) make any dividend on shares, (ii) repurchase its own shares, (iii) repay share capital or other restricted equity with repayment to shareholders or partners, as the case may be, by way of redemption or otherwise, or (iv) make other similar distributions to its shareholders or partners, as the case may be, unless permitted by these Terms and Conditions or the PCP IV C Agreement, as applicable.

15.2 Business of the Issuer

- 15.2.1 The Issuer shall procure that no change is made in the general nature of the business of the Issuer from that carried on as of the First Closing Issue Date and the Issuer shall not engage in any other business activity different from what is contemplated by these Terms and Conditions, except with the prior consent of the Joint Investors.
- 15.2.2 The Issuer shall not enter into any voluntary liquidation, amalgamation, demerger, merger or corporate reconstruction.

15.3 Financial Indebtedness

- 15.3.1 The Issuer may not incur Financial Indebtedness other than:
- (a) for as long as any Subscription Undertaking is in force, a bridge facility or other short term debt for the purpose of making Investments, at the Issuer's discretion, provided that such debt (i) does not at any time exceed ten (10) per cent of the Available Participation, (ii) does not exceed five (5) per cent of the Available Participation for more than any three (3) consecutive months and (iii) is repaid in full for a period of at least five (5) Business Days during each six (6) month period; and

- (b) in any other case, but only for the purpose of funding Investments and after at least 85 per cent of the Available Participation has been invested (or been committed to be invested), if, and to the extent, the Joint Investors have consented thereto in accordance with Clause 17 (*Decisions by Joint Investors*).

15.3.2 Notwithstanding Clause 15.3.1, the Issuer shall procure that the aggregate Financial Indebtedness does not at any time exceed 30 per cent of the Available Participation.

15.3.3 Financial Indebtedness incurred under Clause 15.3.1(a) shall be repaid from participations made pursuant to Clause 4 (*Participation*), or Ordinary Income or Principal Proceeds, as specified in the definition of Ordinary Income and in Clause 10 (*Principal Proceeds*). Financial Indebtedness incurred under Clause 15.3.1(b) shall be repaid from Ordinary Income or Principal Proceeds, as specified in the definition of Ordinary Income and in Clause 10 (*Principal Proceeds*).

15.4 Negative pledge

15.4.1 The Issuer shall not create or permit to subsist any Security over any part of the Portfolio or enter into any other preferential arrangement having a similar effect.

15.4.2 In order to secure any Financial Indebtedness permitted pursuant to Clause 15.3 (*Financial Indebtedness*), the Issuer may create Security over, or assign to the lender(s), its rights pursuant to the Subscription Undertakings. As further specified in the Subscription Undertakings, whenever such Security is granted, the Issuer shall notify the relevant Debentureholders thereof in writing, setting out which amount that the Security is limited to. If such Security is enforced, the lender(s) may require that the relevant Debentureholder subscribes for Debentures in accordance with their Subscription Undertaking, provided, however, that (i) instead of the relevant Debentureholder making the payment for the Debentures to the Issuer, such payment shall be made to an account specified by the lender(s) and (ii) the aggregate Issue Price for such Debentures may not exceed the amount that the Security is limited to.

15.5 Currency protection

Any hedging arrangements made pursuant to Clause 7.2.4 shall be made with a reputable bank or financial institution.

15.6 Authorisations

The Issuer shall procure that it obtains and maintains all necessary authorisations, consents and any other relevant regulatory approvals or permits.

15.7 Listing

The Issuer shall ensure that the Series A1 Debentures and the Series B Debentures are listed on a regulated market in Sweden not later than twelve (12) months after the First Issue Closing Date, and remain so listed or, if such listing is not possible to obtain or maintain, on another regulated market reasonably acceptable to the Joint Debentureholders.

15.8 Separate book entries, etc.

For the purpose of calculating Ordinary Income and Principal Proceeds, each Investment shall be kept as a separate book entry in the books of the Issuer.

15.9 Separation of the Portfolio

The Issuer shall at all times keep the Portfolio separated from its other assets (whether physically or by way of book-keeping).

15.10 Indirect investments

Investments made through an Affiliate in accordance with Clause 7.5 (*Indirect Investments*) shall not generate any gains for the Affiliate that does not constitute Ordinary Income.

15.11 PCP IV C

15.11.1 The Parent shall procure that PCP IV C does not engage in any business activity other than as contemplated by these Terms and Conditions, except with the prior consent of the Joint Debentureholders.

15.11.2 The Parent shall procure that no other person than Proventus AB or a Participating Party may become a shareholder of PCP IV C and that no such party becomes a shareholder, or increases its commitment in, PCP IV C after the last Subsequent Closing Issue Date, except with the prior consent of the Joint Debentureholders.

15.11.3 The Parent shall procure that PCP IV C only incurs Financial Indebtedness for the purpose of making Investments:
